TREASURING IN THE COLD

To preserve and amaze

Iglu designs and produces professional refrigeration equipment and is a leading specialist in bespoke projects. We pride ourselves on being a flexible and reliable partner in creating Back and Front of House solutions, for all versatility and profitability needs. Solutions developed not only to perfectly preserve, but also to showcase and enhance the finest food and wine offerings with an amazing design.

MIRABILIA BESPOKE

Completely custom displays

From size to shape, from temperature to every detail of appearance: Mirabilia Bespoke are totally tailor made solutions, particularly suited for Front of House. Starting from the specific needs of customers and dialogue with architects, interior designers and food consultants, everyday we are committed to offering the ideal solution that best meets any need and environment, with the aim of enhancing any business. Or even private residence.

PROFESSIONAL QUALITY

Made in Italy for international foodservice industry

Functionality, safety, high performance and elegance: Iglu's design philosophy is centred on those characteristics that represent the excellence for foodservice and hospitality professionals. We manufacture our products entirely in Italy, with high quality materials and fine handmade finishes for an amazing aesthetic result. We ensure accurate, prompt and serviceable deliveries and a complete after-sales support. That is why for over 20 years our solutions have been chosen by renowned restaurants and hotels all over the world.

A COMPLETE PARTNER

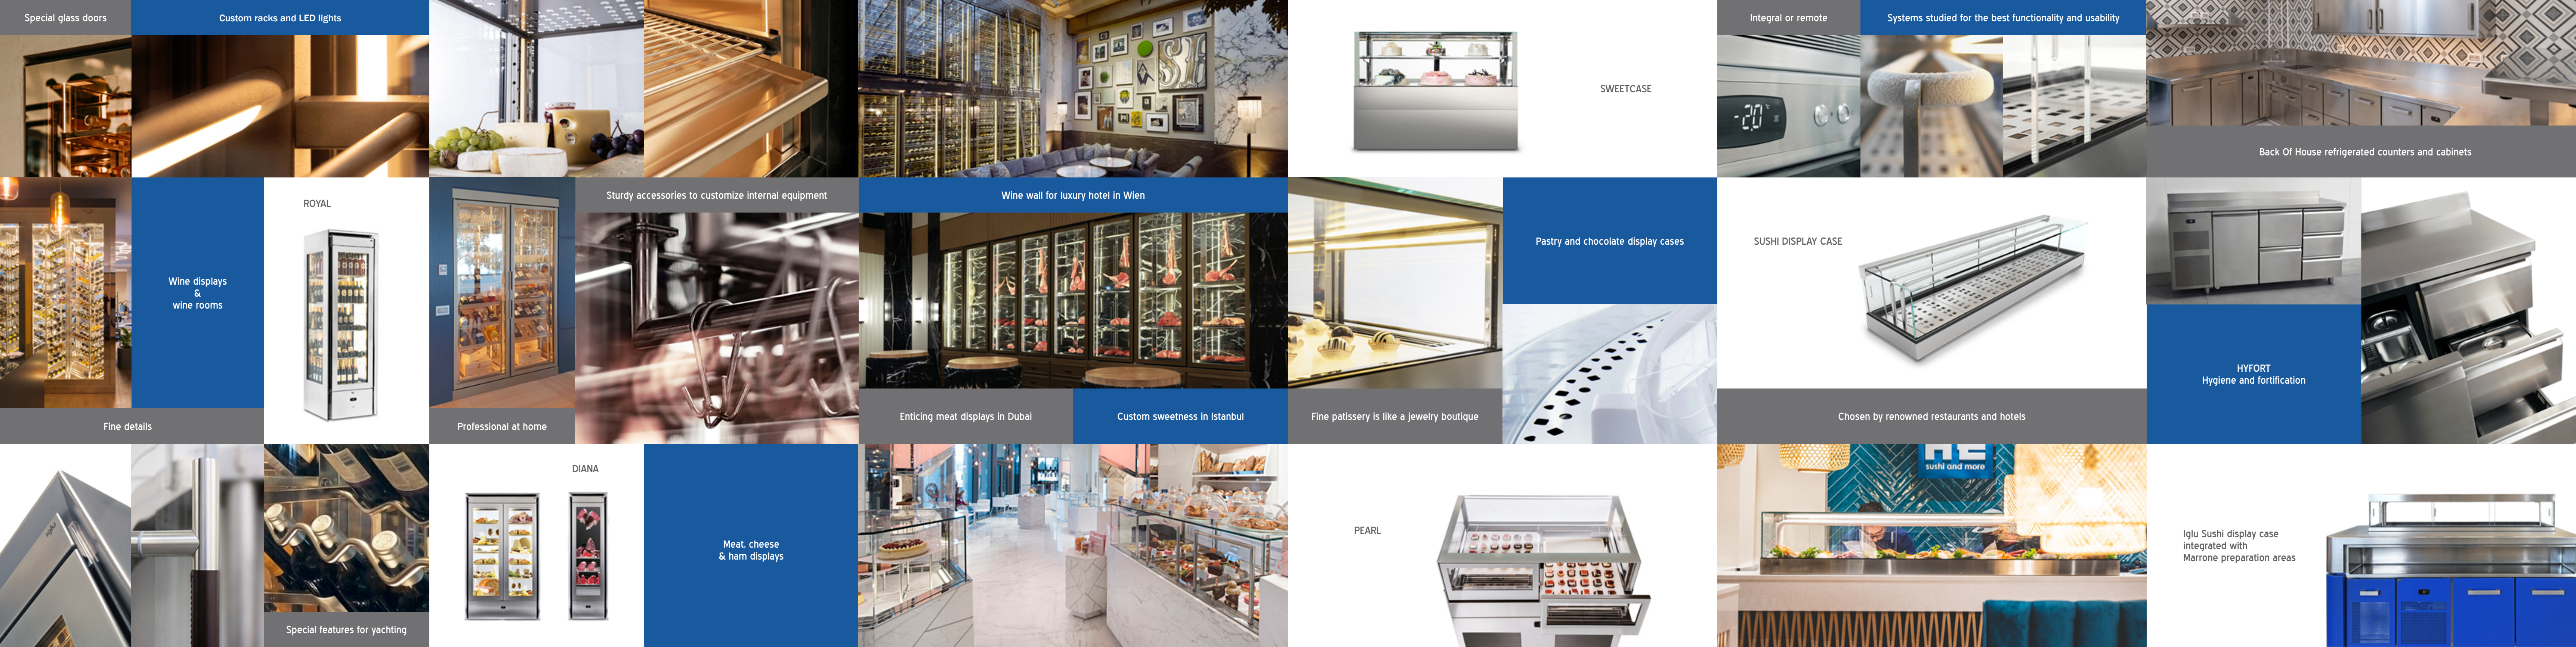

For your integrated projects

IGLU is part of Marrone Group. The brands that make it up work in synergy to provide our customers with a complete offer from cold to hot. This added value allows us to develop integrated projects, from front to back of house, from refrigeration systems to preparation and cooking systems. All tailor-made, with a single interlocutor.
